

## **Engagement with Overseas Sri Lankans - Philanthropic Activities in Sri Lanka: Request of the Office for Overseas Sri Lankan Affairs to Express Interest**

The Office for Overseas Sri Lankan Affairs (OOSLA) is making connectivity with relevant local stakeholders to facilitate seamless engagement with Overseas Sri Lankans (OSLs) with their local interlocutors. As such, the OOSLA informed the Embassy of Sri Lanka in Washington D.C. that the OOSLA in coordination with the Ministry of Home Affairs has identified five projects which are synchronizing with the development priorities of the district concerned; Ampara, Kalutara, Matale, Matara and Mullaitivu. The preliminary information on the selected five projects is attached for your reference.

The Director-General of the OOSLA has requested to express your consent to the [oosla@presidentsoffice.lk](mailto:oosla@presidentsoffice.lk) if you are interested in contributing to the philanthropic initiatives recognized by OOSLA.

The OOSLA will make necessary arrangement to share additional details with donors whilst ensuring transparency and accountability of the process once linked to the chosen project as a donor.
